

Every Mile is a Historic Adventure

FAYETTEVILLE, WV - Start your journey at the NPS Canyon Rim Visitors Center. Then head down to Nuttallburg part of the NPS New River Gorge. Nuttallburg was the focus of Industrialist Henry Ford, in the 1920's, who leased the town's mines to provide coal for his company steel mills.
nps.gov - 304.574.2115

Beckley, WV - Take a guided tour through the Beckley Exhibition Coal Mine where you can get a first hand account of the miner's daily work. Continue your tour of the grounds which have restored coal camp buildings and a glimpse of daily life in a local coal camp.
beckleymine.com - 304.256.1747

Bramwell, WV - Finish your day at Bramwell, known as the "Town of Millionaires". The town was home to many of the first Coal Barons. Stop by Coal Heritage Interpretive Center and get your walking tour map of town. Have an ice cream float at the Corner Shoppe's restored soda fountain.
